

PRESS PLAY FORT LAUDERDALE

GOAL 2

Be a sustainable and resilient community.

What do the stars mean?

In the Sustainability Division, we celebrate victories, big and small!

Throughout the Flip the Switch Challenge, we will award the top areas with Gold and Green Stars. These stars will be placed on your area Poster. Each participating can receive up to five Green and twelve Gold stars. Whichever area accumulates the most stars by the end of Challenge will win!

Milestones → Green Stars (5) Total

Each area can receive up to five Green Stars by completing all five milestones below:

1. You signed up a Champion for your area
2. You completed your Pre-Challenge Observation Check
3. You completed a Weekly Observation Check
4. You completed a Weekly Observation Check
5. You completed a Weekly Observation Check

Achievements → Gold Stars (12) Total

For each round, a total of four stars will be awarded using the criteria below.

Round One:

Star: Most Improved Weekly Light Reduction (from your previous week)

Star: Most Improved Weekly Monitor Reduction (from your previous week)

Star: Highest % of lights turned off (most lights turned off that week, out of all areas)

Star: Highest % of monitors turned off (most monitors turned off that week, out of all areas)

Round Two:

Star: Most Improved Weekly Light Reduction (from your previous week)

Star: Most Improved Weekly Monitor Reduction (from your previous week)

Star: Highest % of lights turned off (most lights turned off that week, out of all areas)

Star: Highest % of monitors turned off (most monitors turned off that week, out of all areas)

Round Three:

Star: Most Improved Weekly Light Reduction (from your previous week)

Star: Most Improved Weekly Monitor Reduction (from your previous week)

Star: Highest % of lights turned off (most lights turned off that week, out of all areas)

Star: Highest % of monitors turned off (most monitors turned off that week, out of all areas)
