

CITY OF FORT LAUDERDALE

IMPROVING SAFETY AND MOBILITY FOR EVERYONE!

Shady Banks Mobility Master Plan Workshop

Wednesday, April 19, 2017 | 7:00 PM – 9:00 PM

Hortt Park Community Center

1700 S.W. 14th Court, Fort Lauderdale, FL 33312

The City of Fort Lauderdale is working with the neighborhood to create a plan to calm traffic and improve the pedestrian and bicycling environment in the Shady Banks neighborhood and wants to hear from our neighbors!

We have heard your input during the previous four workshops and are excited to present the final Master Plan. During this workshop, we will also provide the prioritized implementation plan created based on the priorities identified for improving mobility and accessibility in the neighborhood.

Please join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians to bicyclists to transit riders and motorists!

If you would like additional information, please contact Karen Warfel, Principal Planner, at (954) 828-3798 or kwarfel@fortlauderdale.gov.
